Minutes 3/10/22

Attendance: Mary Gregorio, Jim Richardson, Megan McCoy, Kristen Lycett, Carrie Kabler, Phil Sayre.

Special Guest Update: Jeanne Kuperburg
Jean provided an update on EMS funding and support from the Talbot County Council. Some increases in pay for EMS staff and improved retirement systems to support employee retention. This year's budget includes funds for an additional ambulance for the county. Currently, Claiborne is not in the 8 minute coverage goal for EMS so one unit is being moved to Wittman from Tilghman so that we will fit into that coverage goal. New computer aided dispatch system getting added.

The hospital is increasing pay rates to up retention and improve service time in the ER. Have identified space for a new hospital building near the airport where they can expand and build a new, up to date space.

Update on Phil - he had a knee replacement a little over 2 weeks ago and is doing well.

Approval minutes from January - Jim moved, Phil seconded.
