Building Committee

Rob purchased mats for entrance and in front of the mailboxes.

Considering non-slip strips for the ramp to prevent slipping. Jim is going to talk to Will.

Old Business:

Orchard Planning

Waiting until Spring to plant trees. Soil samples need to be redone. 6-10 trees. Checking on clearing more of the side growth.

Jo Batters' garden

Jo Batters memorial garden (or something similar) going in at the hall is a possibility. Friends of Jo are interested in doing their own fundraising for the possible garden. Jim says possible between the two entrances.

Stage Lighting

David Gregorio did research on lighting for the Village Hall stage. Helping to light up the stage for performances. Four of the lights cost \$1,400. Jim is going to pass along the information.

Generator

According to Kirke, he has located a generator in Baltimore for \$8,000. Looking to explore grant options to help pay for generator and installation.

New Business:

- Mary sent letters to the Health Department offering the Village Hall as a site for vaccinations.
