The purpose of this newsletter is to acquaint and inform Claiborne residents.

## HAPPY BIRTHDAY

Either no one was born in the month of June or no one wants to admit to it.

Since Nancy Clark purchased her tricycle on June 4, 2007, she has ridden a total of 901 miles. She was hoping to reach 1,000, but fell a little short. What a great accomplishment and what a great way to exercise. You go girl!

## Congratulations

Only one St Michaels High School Class of '08 graduate this year from Claiborne - Adam Frock.

## Our Village Church

The Reverend Moore informed me that on Sunday, June 29<sup>th</sup> at 11 AM, there will be a good old fashioned "Hymn Sing" at the Methodist Church. John has asked that we come prepared to call out old favorites, as well as your new favorites, as we join together to recall and reclaim our heritage as "Singing Christians".

Following the service, we will share fellowship and light refreshments.

## Happy Father's Day

To all of you dads, grand-dads and great-grand-dads! Where would we be without you?????

## Litter Patrol

Abby Cureton reports that Saturday, June 14<sup>th</sup> has been designated as clean-

up day here in town. Those interested will gather at the post office at 9 AM.

The last trash pick-up was well attended and Abby is looking forward to a good turn-out in June. Thank you all.

I recently visited the Oxford Museum and spoke with Ellen Anderson, a very gracious lady, who gave me a wonderful tour of the artifacts and explained the beginnings of the museum.

It seems a group of Oxford residents who were interested in the rich history of the town banded together to make it happen. They donated personal items and many were interviewed regarding their childhood memories.

Don't you think its time for Claiborne to pay tribute to the ferry that made this little Village so popular? What a wonderful gift it would be to capture our history for future generations.

I recently received this from an email friend and want to share it with all of you.

## Inner Peace

If you can start the day without caffeine,

If you can get going without pep pills,

If you can always be cheerful, ignoring aches and pains,

If you can resist complaining and boring people with your troubles,

If you can eat the same food every day and be grateful for it,

If you can understand when your loved ones are too busy to give you any time,

If you can take criticism and blame without resentment,

If you can resist treating a rich friend better than a poor friend,

If you can conquer tension without medical help,

If you can relax without liquor,

If you can sleep without the aid of drugs,
