Volume 1, No. 11

The purpose of this newsletter is to acquaint and inform Claiborne residents.

The talented hands of Will, Jeff and Nick have been restoring Mary and Pete Gregorio's house and its coming along beautifully. Beautifully that is until someone broke a first floor window on the west side of the house. If you know anything about this you are urged to call the sheriff at: 410-822-1020

GET WELL WISHES

Renny Johnson had cataract surgery and is seeing things clearly now. Speedy recover, bud and don't be bending over or picking up anything heavier than 20 pounds!

Betsy DesJardains is recuperating from surgery. She's quite the lady of leisure, sitting around with her foot elevated eating bon-bons.

Both Betsy and Jeff recently quit smoking - no easy task! Congratulations and keep up the good work.

FLU SHOT TIME

If you haven't gotten your flu shot yet, there's still time. The Talbot County Health Department will be offering immunization shots on a walk-in basis at 100 S. Hanson Street in Easton on Monday, November 5 thru the 9th from 9 to 11 AM and again Tuesday November 13th thru Friday November 16th from 9 to 11 AM. There is a \$20 fee involved and only certain insurance is accepted. You can call their hotline for more details: 410-819-3215.

ROAD CLEAN UP CREW NEEDED

Carrie Kabler advises that her plan is to fit in one more road clean-up before winter comes, maybe the first week of December depending on the weather.

We are definitely looking for more helpers...and as we all know, many hands make light work and a happy spirited community.

We send out many thanks for the nice job done in October by Judy Harrald, Renny Johnson, Phil and Sarah Sayre, Alice and Bill Sewell.

NOYES SINGS FOR THE SINGING NUN!

Chris Noyes was a vocalist at a recent wedding in St Michaels and was delightfully surprised with a very sincere compliment on her singing skills from one of the guests - JULIE ANDREWS! When someone like Julie Andrews compliments your ability to sing, you know you "have arrived." Congratulations Chris!

OUR OWN MARATHON MAN

Jim Richardson ran his first (and last) marathon in Baltimore on Saturday, October 13th. It was a beautiful day, the race was in Jim's words "too long", a total of 26.2 miles and lasted 4 hours and 35 minutes.

When asked for comments about this experience Jim replied: "Some things in life you only have to do once."

I hear that Abby Cureton has opened her own piano studio in downtown Easton. Don't know all the details, but if you stop at Rise-Up Coffee I'm sure they can give you more info.

Did you know that Hugh Kabler has been racing his boat for 35 years? He is currently involved in the Herring Island "Frostbite Series" that's taking place in conjunction with the Miles River Yacht Club.

Good luck Captain Hugh!!!

Its time once again for everyone's favorite rummage sale! It'll be held on Friday, November 2nd 7 AM to 2 PM and Saturday, November 3rd 8AM to noon in the Parish Hall of Christ Episcopal Church in St Michaels. Be sure to be there to get your share of the bargains.

Did you know that Judy Harrald and her three sisters are on a rafting trip in Mexico? Does that sound like a hoot, or what? Look for an interview with Judy in the December issue of the Clarion. An exciting all-girl adventure if I ever heard of one!

If you find yourself in need of a ride to a doctor or dentist's visit or if you would like to donate your time as a driver for a neighbor in need please call me and I'll develop a list of volunteers. 410-745-6987. Thanks in advance, Barbara

Virginia and Tony and their children are our new neighbors in the Devine house. Virginia is postmistress on Tilghman Island. Stop by and welcome them!
